About Organo Gold

Founded in 2008 with headquarters in Vancouver, British Columbia, Organo Gold is a global gourmet coffee company that sells Certified Organic Ganoderma lucidum through a variety of coffees, teas, nutraceuticals and personal care products. Organo Gold offers its line of products through its Independent Distributors network and to consumers through its Coffee Connoisseur Club. The company currently operates in

over 38 countries and is privately held.

Organo Gold remains focused on its mission to bring the treasures of the earth to the people of the world through its Ganoderma-enhanced coffee and other products.

By infusing gourmet coffee and an ever expanding product line with the power of the Ganoderma Lucidum herb, Organo Gold has scientifically developed a healthy alternative to **regular coffee that not only tastes great, but makes people feel great.**

What is GANODERMA?

Ganoderma is an herb that comes from the Reishi mushroom. Many herbs are taken for different medicinal purposes but ganoderma surpasses them all. Thus named the "King of Herbs," it is packed with powerful antioxidants and offers multiple health benefits.

COMPARE THE DIFFERENCES

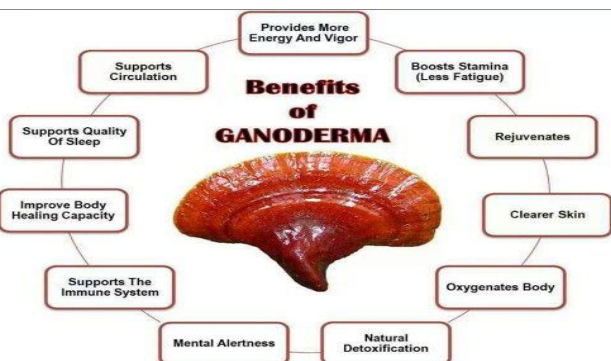

REGULAR COFFEE vs

ORGANO GOLD

GOURMET COFFEE

- Dehydrates
- Very Acidic.
- Imbalances of pH level making more susceptible to illness and disease
- Raises Blood Pressure
- Raises Stress level in the body (can increase production of stress hormone cortisol in the body)
- Can become addictive causes coffee jitters and caffeine crash
- Has approximately 135mg of caffeine
- Most coffee has an acidic pH of 5.5
- It takes 17 glasses of water to neutralize the the negative effect of 1 cup of coffee

- * Hydrates, balances pH level
- * Naturally detoxifies. Strengthens and boosts immune system
- * Oxygenates the body and increases Brain power, Focus & Concentration
- * Provides Energy and Improves Blood circulation
- * Improves Quality of sleep
- * **100% Certified Organic Ganoderma**
- * **No Jitters. No Anxiety. No Caffeine crash**
- * Ganoderma coffee has approx. **9mg of caffeine**
- * Ganoderma coffee has a neutral pH between 7.3 and 7.5
- * Ganoderma Spores Power helps improve the functions of the lungs, kidneys, pancreas & spleen etc.

Ganoderma is suitable for all age groups; from *pediatric to geriatric*. For the infirm/frails and diseased, **it acts as a therapeutic tonic**. Ganoderma is also recommended for people suffering from **insomnia, anorexia, palpitation, dizziness, forgetfulness, nervous stress, hypertension, general body weakness or debility, fatigue, cough, indigestion, constipation, haemorrhoids, deafness, coronary heart disease and irregular heartbeat**. For the healthy, it becomes a health enhancer, helping to maintain health and prevent sicknesses.
